

Curriculum Vitae

Personal Information

```
var coder = {  
  Name: "Henri Koski",  
  Location: "Oulu, Finland",  
  DateOfBirth: new Date(1991, 4, 4),  
  Email: "henri.t.koski@gmail.com",  
  Phone: "0442696091",  
  IRC: "heppu_@IRCnet",  
  Linkedin: "http://linkd.in/1u2V4an"  
};
```

Education

2011–2017 (expected)

*University of Oulu
Computer science and engineering*

2007–2010

*Kalajoen Lukio
Upper secondary school graduate*

Experience

Research assistant University of Oulu (<http://www.oulu.fi/cse/>) [2014–>]

In may 2014 when I finished project for my bachelor thesis I was asked to continue working with the project as research assistant. Since then I been developing plugins and dashboard for AWARE (<http://www.awareframework.com>) .

Web developer at Zef Oy (<http://www.zef.fi/en/home/>) [2014]

In summer 2014 I worked in small team developing backend services and UI for zefglobal (<http://apps.zefglobal.com/>) .

I created web service with API for website style analyzing using mostly nodejs. For frontend development I used mostly Enyo and LESS. I also got familiar with Grunt and Google cloud services.

Process worker at BetKer Oy (<http://www.betker.fi/>) [2010–2013]

In summers 2010–2013 I worked in various positions operating multiple industrial machines.

Mechanic/attendant at JukuPark Oy (http://www.jukupark.fi/tmp_jukupark_kalajoki_site_0.asp?sua=12&lang=3&s=660) [2006–2009]

In summers 2006–2009 I operated and repaired boats, ATVs and motocross bikes.

Hobbies

Co-Founder and Chairman of Bit Brewers Oy

During my freetime I run two man company and try to find fun and challenging projects to nail.

Most recently we created dynamic Instagram photo contest service for the City of Helsinki.

Currently running competition: <http://lahioprojekti.hel.fi/> (<http://lahioprojekti.hel.fi/>)
